

Musically Speaking

Stuart Underwood, Minister of Music

Thanks to Philip Sebastian for filling in at the piano for George Munday, who was subbing for Becky. Samuel did a beautiful job on "Everything" for our offertory. The Adult Choir, with soloist Evonna Marcum, sounded great on "Sinner Saved by Grace".

This Sunday Becky and Laura Lee will be playing our offertory. The Adult Choir will be singing a great new anthem "The Spirit Sings". This anthem combines the spirituals "I'm Gonna Sing When the Spirit Says Sing" and "Every Time I Feel the Spirit" with 4-handed piano. What does this mean? Becky and Laura Lee will each have their own part to play and their own piano!

Sunday night we will welcome **His Heart** to our evening worship for a service of gospel music. Make plans to be here and bring a friend. We will take an offering to help support their ministry.

Have a great week!
Stuart

MESSAGE:
"The Will of God" (Acts 22:1-14)

From the Pastor

I hope everyone is enjoying praying and studying together through our 40 Days of Prayer emphasis. I know the days have challenged and encouraged me to continue in prayer for myself and our church. I want to be a follower of Jesus that really looks like a follower of Jesus. There is not any place for lip service in a Jesus-led life. He calls for action. I want to be that kind of person. I want to be a person of action while on mission for Jesus!

We have some exciting things coming up in the life of our church. First off, our Fall Bible Studies and Small Groups started up this past Sunday. It sounds like everyone got started off well. If you do not have a Bible Study you attend during the week, I would encourage you to come on Sunday evenings at 6pm to the church and join in with others in Bible study. It is so great to see people growing in their knowledge and faith in Bible study each week. How else can you grow in Jesus unless you're studying His word?

The second thing coming up is an opportunity to serve our Teachers and Staff at Stanford Elementary. On Friday, September 20, we will host a pancake breakfast for the whole staff at Stanford Elementary School as they kick off a professional day for the teachers there. I will give you a time to be at the school on that day as soon as I find out for sure. Anyone that is available to help cook and serve is welcomed to come! We love our teachers and our elementary school here in Stanford, so let's be sure to show them on September 20.

Lastly, we are planning our Halloween event for this Fall. Like last year, there will be businesses and individuals involved with us, but that is where the similarities end. This year, we will partner even more with the City of Stanford and the organizations and businesses here to throw a huge, community wide block party Halloween on Main Street. We also have other churches who are involved with us! You will hear more about this in the weeks to come, but our goal is to help Stanford have a safe, family-friendly, and fun way to take part in Halloween this Fall. The Stanford Chamber of Commerce is helping us with advertising, but if you know of a business or organization that would want to set up a candy giveaway table or sponsor hot dogs, chips, drinks, or inflatables, have them contact me as soon as possible!

I love being a part of a community that will work together for the good of our people. I also love being a part of a church that will do the same with the mission of loving people like Jesus!

Bro. Justin

THANK YOU to all who helped make the Associational WMU Fall Rally a success! Thanks to all who brought food, those who helped set up and clean up, to Phil Sebastian for the floral arrangements, to Laura, Kendall, Devona, Paula, Becky, and Laura Lee for the music, and all who contributed in any other way. It was an enjoyable evening of fellowship with our sister churches.
