

Musically Speaking

Stuart Underwood, Minister of Music

Thanks to Becky and Laura Lee for a great job on the double piano/four-handed arrangement of "Be Thou My Vision" for our offertory. I hope you enjoyed "The Spirit Sings". This was a hard arrangement of two spirituals with four-handed piano. Thanks to Becky and Laura Lee and to the choir for their preparation to present this special.

This Sunday George Swope Munday will be playing our offertory. The Adult Choir will be singing a beautiful anthem, "Let the Church Say Amen".

Have a great week!
Stuart

MESSAGE:

"Love One Another" (1 John 4:7-16)

Bring a dish and join us at 5:00 PM!

From the Pastor

God's will and plan for our lives is not as sneaky, hidden, or hard as we may think. I think the most important thing to remember about God's will is that His number one wish is that all would come to Him with their life. (2 Peter 3:9) If that is God's will for all, then that must be our basic mission. God doesn't need us to save someone, but He does need us to speak the truth of His love to others so that they might turn to Him. We can get so off track thinking that God's will has to be some big, life changing event. I believe that the truth of God's will is that we are saved, and then we serve Him as one who wants others to be saved. It really is that simple. Let's not lose sight of the simplicity of God's will for all of us and Stanford Baptist Church. Love God, Love People, and Serve Together are not just words on a logo. They are to remind us of God's will and our mission!

Hopefully you are keeping up into this 4th week of 40 Days of Prayer! If you have missed a few days, or haven't started yet, there is always today to get back on track. We know that prayer is powerful because we know who is on the other end of our prayers. Let's make sure we see these 40 days through together, for ourselves and for our church to be closer to heart of Jesus.

We had planned to have a pancake breakfast for the staff at Stanford Elementary this coming Friday, but because of a conflict at the school we will have to cancel that for this week. Keep your eyes open for our next opportunity to serve the staff at our local elementary school here in Stanford!

Lastly, we are in the planning phase of our Halloween event this year. Halloween on Main St. will be a great community wide event for our county to come together and provide a safe and family friendly atmosphere for everyone on October 31. There will be a number of ways for you to be involved, but right now we need candy. We need lots of candy. If you can begin picking up a bag each time you go to the grocery and drop it off at the church, it will help in a huge way. You will hear more about this in the weeks to come, but right now we just need candy.

Love each of you!
Bro. Justin

Trick-or-Treat candy collection box is located in the Meet & Greet!
